### CAUTION

Ensure ignition switch is OFF before attempting to change the Cabin Air Filter!

### INSTRUCTIONS:\*

1. Locate the Cabin Air Filter access panel under the glove box. (passenger side).
2. Remove the screws and set the access panel aside.
3. Remove and replace the used cabin air filter with a new Pentius Cabin Air Filter.
4. Verify that the air flow arrows are in the correct direction if noted on filter.
5. Replace all components in the reverse order of removal.

\* Note that Cabin Air filter replacement instructions may be representative for certain vehicles.
