NEW Pentius *UltraFLOW* Filter Applications! **BEST COVERAGE IN THE AFTERMARKE!**

Pentius announces another SIGNIFICANT expansion of the Pentius **UltraFLOW** Filter line! This NEW PRODUCT RELEASE BULLETIN announces the availability of **new 32 Air, 33 Cabin Air, 2 Cartridge Oil and 5 Fuel Filter Part Numbers**, which are applicable to primarily newer vehicle models including MY2017 and MY2018.

The attached pages provide a listing of these new filter items added to the line over the past several months. Note that there are two(2) Pentius part number columns. As you can see, in many cases, the originally assigned 'T'(temporary) number has already been superseded to the new Pentius permanent part number. The data also includes cross-references to assist you with each new application. The MOQ for each new filter remains at six(6).

Note that the Pentius website (www.PentiusAutoParts.com) has been updated in the application guide section to include all of these new items

Note also that the separate list of existing filter items, recently superseded part numbers, for your record.
